Dear Dr. Md. Mahmudul Hasan,

I am pleased to invite you to present your paper titled “The writer as “an architect of the soul”: A study of Doris Lessing’s theory of literature” in the webinar organized by Rhizome, the seminar series of the Department of English, East West University. The department of English has been arranging seminars with a mission to offer a scholarly platform where the faculty members and students can listen to and exchange ideas with scholars from all around the world. In the past we had presenters from the USA, Australia and India. However, during the pandemic, we are conducting the sessions as webinars.

As you are an eminent scholar in the academia, we believe, your expertise and experience in the field of literature will be an excellent addition to our webinar. Both the faculty members and the teachers will surely benefit from listening to your paper.

I would be honoured if you accept our invitation to present the paper in the webinar. The webinar is scheduled to be held on 13<sup>th</sup> April, 2021. Please do not hesitate to contact me if you have any questions.

Looking forward to hearing from you.

Sincerely,

Farzana Akhter, PhD
